The Trustees wish to offer all members the chance to share their interests and expertise as well as become involved in activities they will find fulfilling. To aid with this you are invited to share some of these below. Please tick any that apply to you. ***If you feel that you don't currently have any of these, or don't wish to share any, this is not an issue.*** We are sure that you will develop some specific of general skills and knowledge through your involvement and we will continue to draw in ecological and heritage expertise when needed.
